

GUYS:

AFTER DELIBERATING FOR TWO DAYS THE JURY FOUND ROY GUILTY ON ALL COUNTS CHARGED IN THE INDICTMENT.

THIS WAS REALLY A BAD DAY FOR ROY AND THE HEALTH CARE INDUSTRY IN GENERAL.

PERSONALLY I DO NOT BELIEVE THAT THE EVIDENCE WAS SUFFICIENT TO CONVICT ON THE ISSUES OF HEATH CARE FRAUD. THERE WERE A NUMBER OF CIRCUMSTANCES IN THE CASE INVOLVING BILLING ERRORS; CHARTING ERRORS AND/OR INADEQUACIES THAT CREATED A SMOKE SCREEN FOR CONVICTION. HIS FORMER STAFF WAS AGAINST HIM AND MAY BE ELIGIBLE FOR "WHISTLEBLOWER" REWARD. IN THE END HE WAS PROSECUTED FOR HIS LIFE STYLE AND THE LAWFUL TAX EXEMPTIONS HE CLAIMED FOR THAT LIFESTYLE THAT LED TO HIS CONVICTION.

ALWAYS BE MINDFUL OF WHAT YOU HAVE LEARNED FROM THIS CASE AND PASS ALONG WORDS OF WISDOM TO YOUR COLLEAGUES WHEN YOU CAN. THE GOVERNMENT IS ALWAYS LOOKING -- YOU OR ONE OF YOUR FRIENDS MAY BE THE NEXT TARGET, NO ONE IS SAFE IN TODAY'S SOCIETY.

THANKS TO ALL OF YOU FOR YOUR ENORMOUS EFFORT IN THIS CASE AND YOUR COMMITMENT TO ROY.
