Distance Learning—Telephone Support

Over the past quarter-century Limoli and Associates has assisted dental offices in streamlining the reimbursement process. Our no-nonsense approach to the management of third-party reimbursement has been implemented in thousands of dental practices across the country.

For many specific situations, individualized consultation, training and support is the most cost effective means of making your practice goals a working reality. By scheduling a customized educational program(s) for your office we are able to provide direct solutions to your office's individual issues.

Telephone technical support means that both your clinical and administrative reimbursement challenges are soon to be a thing of the past. Don't suffer alone in silence - assistance for your reimbursement issues is just a phone call away.
