## Dental Insurance Today Your Definitive Update Guide to the Reimbursement Process

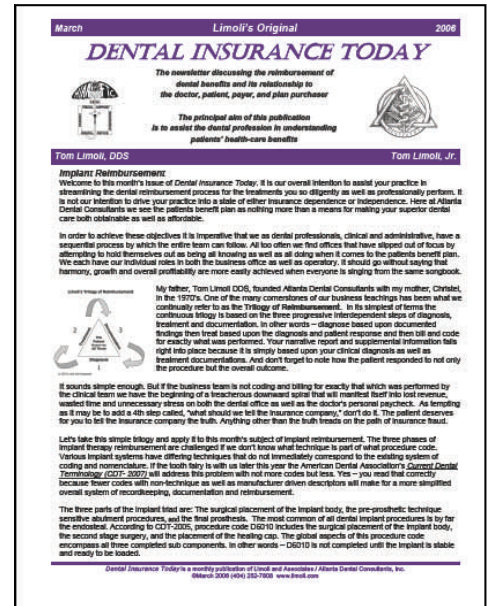

Since 1988 Limoli's **Dental Insurance Today** has been assisting dental office teams simplify the coding, processing and administration of your patients' dental benefit plan. Simplified administration provides greater financial profit as well as less cumbersome patient centered care.

Each issue of **Dental Insurance Today** provides your practice with fee data and billing parameters for an individual section of the coding sequence. Continually update and refresh your fee schedule with the most current data. Efficiently bill the claim based on the clinical procedure and not the patients' insurance carrier.

A subscription also includes access to the monthly **TeleForum** to discuss the newsletter's subject.
